**Importance:** High

Denise,

My CMS search returned only one control regarding this issue. This control (AL-17-000-5406) is from Sen. Johnson and Cong. Grothman. CMS did not return any controls from Gov. Walker on this issue. However, I only searched for controls from late 2016 to the present. This control was assigned to OCIR as the lead and R5 was cc'd. The incoming letter and control slip are attached.

Please let me know if you need additional information.

Hi Patricia:

Yes, this has to do with an ozone monitor in nonattainment on the shore of Lake Michigan in Sheboygan County. The state is asking to split the county into two areas given the lower ozone levels from the second, inland monitor. Our air program is working with OAQPS on this.

Gayvonne, will you please do a search in CMS for letters from Rep. Grothman, Sen. Johnson and Gov. Walker and copy all on your response?

Thanks,  
Denise
